

Thank you to all players for your registration. This will be our largest group contesting our Champion of Champions.

Here is some additional information you will find helpful so please read carefully:

1. All players will need to register with me on the balcony at Burleigh GC. Registration will open at 6.15. Here you will collect a special card for scoring and any last minute instructions.
2. Tea and coffee will be available from the proshop at your own expense
2 I understand many of you have booked carts with the proshop. Now you know who you are playing with, please confirm with the proshop if you still need your cart as they are in short supply. If you require a cart, contact the proshop asap to see if you can get one now the draw is out. Carts and pull buggies (if required) are at the individual player's expenses. The proshop will be open from 6.00am and players may purchase range balls for warm up, or use the nets near the 10th Tee
3. Caddies are permitted in this event but caddies are not catered for in our lunch menu.
4. Scoring will be via the live scoring app. I have attached instructions here so you can download this to your phone and have it ready for use. The GGID required for scoring on your phone app will be on your card which you will receive when you register. All players are required to use this electronic scoring function, and, to complete and have their paper card signed off. Both player and marker signatures are required, but with the electronic scoring, the process of checking scores is made much faster, enabling an earlier presentation.

I am anticipating that we will be having our lunch at approx 12.30pm and presentations will be able to follow soon after.

If you have additional queries, please email me.

Looking forward to a great day on Sunday.

Neil Steinhardt
Secretary GCDGA
