### **Host Club Responsibilities and GCDGA Matters:**

- a Host clubs are not compelled to supply free food/hospitality to visiting teams members;
- b The **host club** must provide a starter to whom the captain/manager for each team will submit their team in playing order, 10 minutes prior to the tee off time for the match. Failure to do so will result in the no. 6 player of the offending team to be deemed to have lost the first hole;
- c All clubs which play matches at Sanctuary Cove or Hope Island are required to use motorized carts. A nominal charge for the use of these carts will be made. **Visiting clubs' Captains or Golf Ops managers** should contact the proshop at either Hope Island or Sanctuary Cove prior to play to ascertain a reasonable cost for golf carts.
- d Motorized carts are permitted, but it is the player or teams' **Captains or Golf Ops managers** who are responsible for the prior booking and the payment (on the day) for these;
- e As all venues for this competition are booked 12 months in advance, GCDGA Match Committee reserves the right to transfer finals to a neutral venue where possible to avoid clubs having an "at home": advantage;
- f The event of two or more teams being equal on points after the completion of the preliminary rounds the two finalists will be decided by the team with the greater number of individual matches won or halved. If a tie still exists, then

the teams with the greater net winning margins during the series shall be declared the finalists with the provision that if there is a forfeit in any individual match then the team receiving the forfeit will be allocated a 3/0 win. If a tie still exists the teams shall play off on a date and course set by the GCDGA Match Committee.

- g If in a final when competed the result is tied at 3 ½ / 3 ½ the number 1 players will play extra holes “sudden death” as decided by the GCDGA match committee until a winner is determined, BUT if this is not possible due to course being unavailable or time of day, a countback will finalize the eventual winner. This will **decided** before the start of the final depending on the Course. If teams are still Tied after the countback of the for & against at the final the winner will be determined by the individual wins starting from player then player 2 and so on until we have a winner.
- h **SPEED OF PLAY** :The pace of play is an essential aspect that requires due emphasis during the Pennants matches. All competitors are expected to be aware of their position on the course and be considerate of the groups that follow them. In case a group falls behind, they should endeavour to catch up with the group in front of them. Failure to do so will be supervised by the GCDGA official or Course Marshall, and if no attempt is perceived to breach the gap, the team will be ordered to skip a hole to keep up with the pace. The GCDGA official on-site will convey a warning before putting this rule into effect. It is of utmost significance to esteem the fellow golfers who have bookings after the Pennants event and ensure that the speed of play is upheld throughout the tournament.
- i The team Manager/Captain is responsible for the speed of play and conduct of their team & supporters; A copy of the Players & spectators Code of Conduct can be Found Below.
