15) **No caddies permitted.**

Only team managers, players, reserves and GCDGA representatives who have finished competing on the day may caddy / walk beside teammates for remaining matches

16) Parents and spectators are welcome and encouraged but in the interests of the players please walk the course as spectators and remain in the rough areas, on designated cart paths or walk along the tree line to watch players.

17) Parents and spectators are not allowed to walk onto any teeing ground, down the middle of the fairway or onto the green. Only team managers, players, reserves and GCDGA representatives are permitted to walk and talk with players on tees, fairways, and greens.

18) **This year we welcome Sanctuary Cove Golf and Country Club to junior pennants.**

Managers, parents and guardians please note; Sanctuary Cove has recently implemented a junior golf policy stipulating that all 14 years and under golfers must always be accompanied whilst on course, on the practice facilities and in the club house. We ask while remaining present with your golfer maintaining distance according to the GCDGA guidelines. For more information, please contact the GCDGA Junior Coordinator David Thomas 0435 552 628.

19) It is expected that the host club will make available to each manager the Local Rules for the day. The host club is required to provide free of charge a motorized cart for one manager from each club so that they can become responsible for the pace of play.

20) A player may use a motorized cart, but it must be driven by an adult. The hire/cost of this cart is the player's club's responsibility or the player. A medical certificate must be presented to the GCDGA for review at least 3 days prior to the round. Other players are not to sit, lean or ride on this cart or the manager's cart during their match. The penalty for breach of this rule is loss of hole where the infringement occurred.

21) All managers are required to have in their possession a BLUE CARD (Positive Exemption Card).

22) Practice on match day shall be limited to:

Putting / chipping greens and practice fairway.

23) Players and team officials must conform to the dress regulations and behavior standards of the host club. Managers need to be clearly identifiable (club shirt) and understand the important role they need to play.

24) Players are advised that devices (distance finders) that measure distance must have the slope reading always switched off.

25) Players are advised that the use of mobile phones is restricted to the car park and club house only at each club/venue unless a medical emergency arises. [All phones must be turned off or placed on silent mode during any competition round]. Penalty: loss of hole where infringement occurred – however any further offences during the same individual match could result in the player being disqualified.

26) The GCDGA recognises the benefits of social media for sharing stories and photos.

However, the GCDGA does not tolerate abusive (bullying), discriminatory, intimidatory or offensive statements being made online or the inappropriate use of photos or videos.

The GCDGA encourages parents, guardians and spectators to be aware of such risks and to take steps, where possible, to minimise them.

Anybody who negatively uses photos, videos, commits cyberbullying or encourages cyberbullying will be given a lifetime ban and possible legal action.

Everyone who participates in and contributes to golf and/or a club has some responsibility for ensuring and maintaining safe environments for children and young people.

27) Spectators can act as additional spotters for errant shots.

28) Parents and spectators are not allowed to offer any advice or coaching throughout the round or get involved with any rulings or scoring disputes. There will be on-course team managers, GCDGA members and a designated rules official available to assist and deal with any problems arising on the golf course.

29) Parents and spectators who are found to be crossing these clearly defined guidelines above will be given an official warning, if behavior continues, they may be asked to leave the course.

30) Player/team support is encouraged but not at the expense of others. Please refrain from boisterous behavior and/or poor sportsmanship.

31) **Ready Golf.** For pace of play the GCDGA is adopting a “ready golf” strategy for all future junior matchplay tournaments unless advised otherwise by a GCDGA official.

32) **Falling behind.** As outlined in the rules and conditions, if players fall behind in the field, they may be asked by a GCDGA official or hosting club ranger to walk the next hole. That hole will be deemed to be halved. Please be aware of your surroundings when supporting your player/team and have a wonderful day.
